

Transfer of Value for Patient Organisations 2019

1. Grünenthal Colombiana S.A. did 2 transfers of value to Patient Organisations in 2019. The information is updated in the general Excel spreadsheet.

2. As of 2019, in Colombia it is legally required to disclose ToVs to patient organizations, among others, to the Ministry of Health. It is upon the MoH's discretion to publish the information either on its website or any other platform. The first report was uploaded on the corresponding application on March 2020, regarding all ToV incurred in 2019-2. Thus far, the MoH has not made the information public.

3. Attached the Resolution 2881/18 which contains all methodological basics:

- a. Context
- b. Purpose
- c. Scope of disclosure
- d. ToV typology
- e. Consent Management
- f. Disclosure methodology (currency, calculation rules)
